7 Women And The Secret of Their Greatness

This book by Eric Metaxas describes the lives of Joan of Arc, Susanna Wesley, Hannah More, Saint Maria of Paris, Corrie ten Boom, Rosa Parks and Mother Teresa. These extraordinary women changed the course of history by following God's call on their lives. Through reading this book and discussing how these women achieved their greatness we will see how their lives were shaped by the truth of the Gospel.

Hoodwinked

A DVD based study with speaker Karen Ehman, popular author and speaker with Proverbs 31 Ministries, who says that today's wives and mothers have been "hoodwinked"; convinced that serving their family is a subservient and antiquated role. This study will encourage and inspire women to embrace their roles as mothers wholeheartedly yet realistically, whether they work outside the home, have a home business, or are stay-at-home moms. Mothers will find a fresh new vision for an age-old calling as they tackle the challenges and embrace the blessings of motherhood.
