### WHY GOD?

DVD Study with Andy Stanley

We all face times when it feels like God is far away. Our prayers are unanswered, and our circumstances go from bad to worse. During these times, God doesn't just seem distant, He seems distracted. People tell us to pray more. Preachers tell us to have more faith but what does the Bible say? In this DVD series, Andy Stanley explores the lives of 3 men people from the New Testament, each loved by God, but whose circumstances seem to tell a different story.
