

## A Special Letter – Monday, September 2020

Dear Friends of Uxbridge Baptist Church,

We are excited to announce that we are **re-opening** to in person worship beginning **Sunday, September 20**. We will continue to live stream our worship service for those who are unable to join us at this time.

There are a couple of important things to know:

1. We are asking everyone to pre-register and to do so every week. Registration will open on Monday (it is open now) and will remain open until we reach our limit or until noon on Thursday, whichever comes first. If you know someone who wants to come to church, but does not have email, please let them know that they can call the church at 905-852-3662.

**PRE-REGISTER HERE:** <https://forms.gle/Ft2jaJCXJX86w5qk7>

2. Our doors will open at 9:30am, the live stream on YouTube will open at 9:50am, and the worship service will begin at 10:00am. There will be greeters and ushers who will guide you through our back to worship protocols. Do you want to know more about what to expect? Click here for more information. <https://uxbridgebaptist.com/wp-content/uploads/2020/09/What-to-Know-When-UBC-Re-opens.pdf>
3. We ask everyone to enter through the northwest parking lot doors and follow physical distancing as you approach and enter. Please wear a face covering. If you do not have one, we can provide one for you.

We know that things will look a little different and may even feel a little different. But what remains the same is our love for God and for you. We are glad that we are able to start worshipping together again, even in this modified way.

We also know that you might not be ready to attend in person. We understand. We will be here when you are ready. Until that time, we encourage you to join with us via our live stream on YouTube. Here is the channel (we encourage you to subscribe):

Finally, we want to continue to encourage you to embrace the opportunity to connect in your Zoom and/or Life Groups.

Yours in Christ,

Your friends at Uxbridge Baptist Church
